Flos IC 10 Year Anniversary Table Lamp

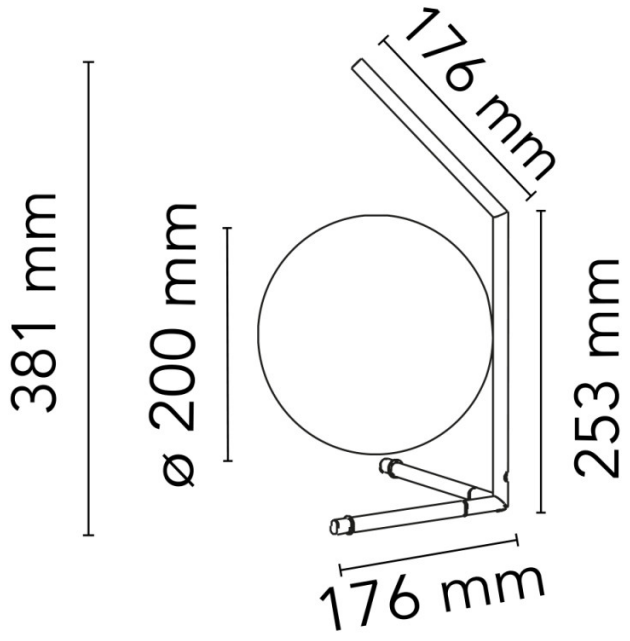

Designed by Michael Anastassiades to commemorate the 10th anniversary of the IC collection, this Flos IC Table Lamp features the sleek silhouette of the iconic design - but in an elegant 24-carat gold plated finish. Over the past 10 years, the IC Table Lamp swiftly became one of the brand's most acclaimed designs and features a blown glass spherical diffuser, which emits a soft ambient illumination and appears to balance perfectly atop the metal stem. IC represents a mysterious balancing act which immediately enthrals the user and catches your eye in almost any setting.

The Flos IC 10th Anniversary Table Lamp is numbered and signed, utilising a smooth gold finish which represents eternity rather than luxury. The table lamp can easily adapt to almost any modern environment, both residentially and commercially, and makes a stunning centrepiece in living rooms, hallways, bedrooms and dining spaces.

A compatible Flos 7.5W LED E14 T28 Dimmable Bulb can be purchased separately.
