Flos IC 10 Year Anniversary Floor Lamp

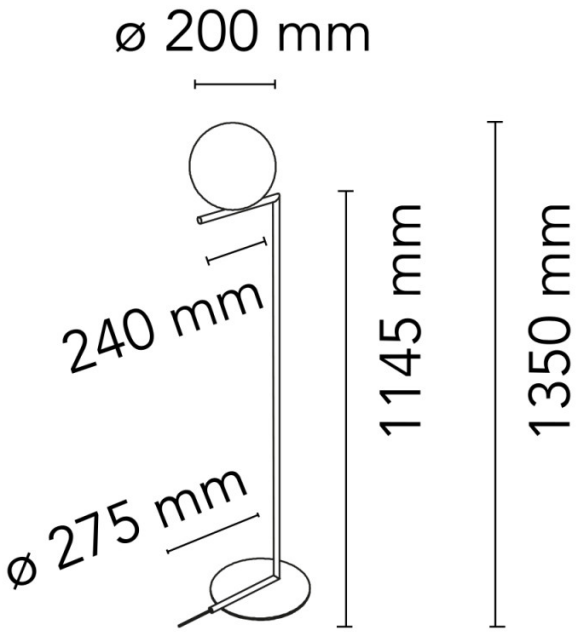

The Flos IC 10-Year Anniversary Floor Lamp is a celebration of the classic design released in 2014. The original IC collection began a collaborative journey between Flos and Michael Anastassiades, creating a meaningful landmark in Flos' career. Designed by Michael Anastassiades the IC Floor is a mysterious balancing act, utilising a spherical blown glass diffuser that effortlessly perches atop a slim metal structure.

The glass diffuser of the IC Floor Lamp emits a warm ambient glow that can be utilised in a range of interior settings, and thanks to the minimalistic silhouette it can adapt to an array of contemporary spaces. The IC Anniversary Floor Lamp boasts a timeless 24-carat gold plated finish that aims to resemble the lamp's eternity. Each floor lamp is numbered and signed, adding a unique touch.

A compatible Flos 7.5W LED E14 T28 Dimmable Bulb can be purchased separately.
