PRODUCT DESCRIPTION

Designer: Jonas Wagell

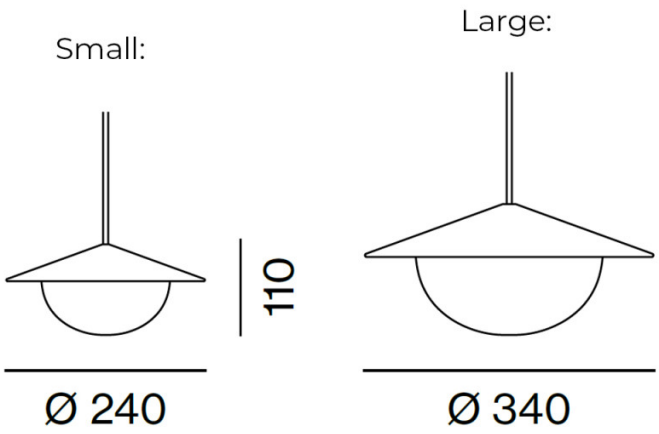

AGO Alley LED Pendant

AGO Alley LED Pendant was designed by Jonas Wagell. The Alley LED Pendant is a simple, versatile pendant that adds colour to any decor. Available in nine colourways, the Alley LED Pendant can feature in any residential or commercial space. Each pendant is made from an opaline glass globe attached to a powder-coated aluminium shade and hung from an adjustable 300cm cable to provide direct bright illumination to your chosen area. The rich materials and subtle use of angles and curves seamlessly blend elegance and playfulness.

Alley LED Pendant is available in two sizes: small and large. The bold pendant is an example of intricate contemporary design which provides a comfortable lighting solution, ideal for over a dining table or kitchen island. The **Alley collection** also includes a table lamp and a wall lamp, elevating the atmosphere to a new level when combined.
