PRODUCT DESCRIPTION

Designer: Nordlux

Nordlux Skyku Cloud Wall Light

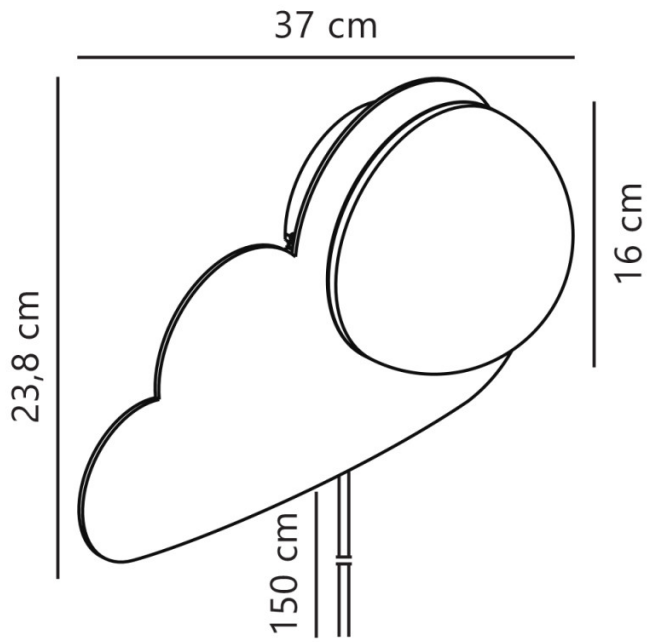

As the name suggests, the Nordlux Skyku Cloud Wall Light was inspired by the sky and is shaped like a soft cloud, making it a perfect addition to children's bedrooms, playrooms or nurseries. This wall light features a mouth-blown glass diffuser, made to resemble the sun and produce a diffused illumination that generates a peaceful ambience.

The Skyku Cloud light is perfect for bedtime reading or as a comforting nightlight, the in-line on/off switch allows you to easily control the luminaire and install it without any hassle. Due to the handmade nature of the Nordlux Skyku Cloud Wall Light, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.

Please Note: This wall light features a cable and plug, so will need to be installed near a socket.
