PRODUCT DESCRIPTION

Designer: CTO Lighting

CTO Lighting Artes Collective LED Pendant

Artes Collective LED Pendant was designed in-house by the design team at CTO Lighting. Artes is an architectural beam of light fused with premium materials such as bronze, satin brass and honed alabaster creating an elegant pendant. Artes are suspended on barely visible cables of varying lengths, creating a timeless cluster effect that can be displayed in domestic and corporate environments. The rich materials and minimalistic use of angles seamlessly blend elegance and sophistication.

Add an affluent element to any décor with this alabaster shade and metal structure which are available in two colourways: bronze or brass. The **Artes collection** also includes a different pendant version, a wall light and a floor lamp.

Please note: this pendant is also available in a 1200 size.

Please Note: Due to the natural variations in the glass diffuser, the light output of each product will vary.

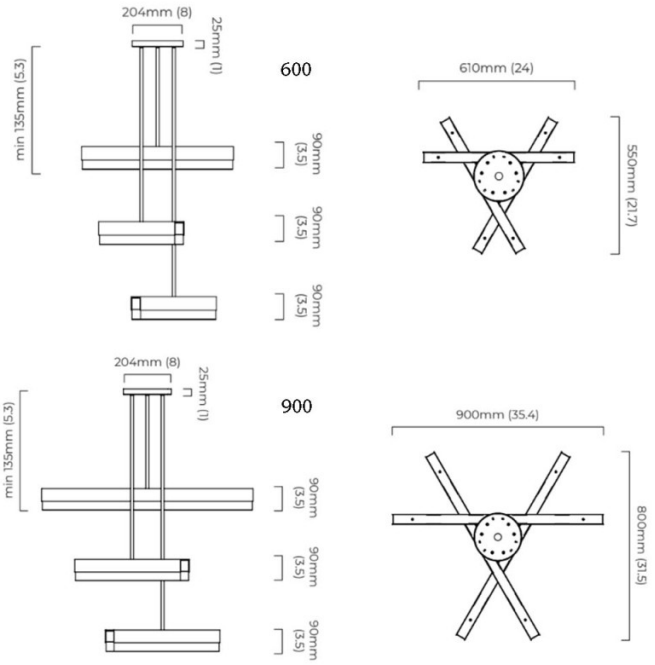

PRODUCT SPECIFICATION

Light Source: **600**
48W, 2700K
900
72W, 2700K

IP Code: 20

Dimming: Dimmable via mains phase dimming
