PRODUCT DESCRIPTION

Designer: CTO Lighting

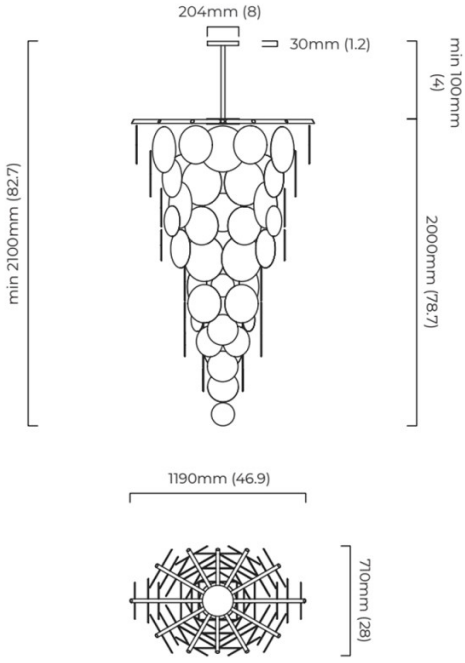

CTO Lighting Nimbus Cascade Chandelier

A more dramatic version of the **Nimbus Chandelier**, the CTO Lighting Nimbus Cascade Chandelier boasts an elegant but theatrical silhouette that is the perfect addition to stairwells and atriums. This lighting solution consists of glass discs, handcrafted by the artisans at CTO Lighting, suspended from a metal structure. The glass discs softly diffuse the light when on, creating a mesmerising lighting effect and resulting in a functional but ambient atmosphere.

The CTO Lighting Nimbus Cascade Chandelier is available in two finishes (either Brass or Bronze) and is a beautiful addition to classic or contemporary interiors. The Cascade Chandelier can be used in both residential and commercial spaces and can be combined with other lighting solutions in the collection for a cohesive environment. This luminaire not only provides a cosy illumination but also resembles a sculptural piece of art no matter where you decide to install it.

PRODUCT SPECIFICATION

Light Source:	14 x Max 8W LED E27 (Excluded) 2 x Max 5.5W LED GU10 (Excluded)
IP Code:	20
Dimming:	Dimmable with trailing edge dimming.
Dimensions:	Shade Height: 200cm Shade Width: 119cm Shade Depth: 71cm Minimum Drop Height: 10cm
