PRODUCT DESCRIPTION

Designer: CTO Lighting

CTO Lighting Avalon LED Chandelier

CTO Lighting Avalon LED Chandelier balances classic design with contemporary by casting an ethereal glow through its honed alabaster cylinders. Suspended by barely visible stainless-steel cables which vary in size, this modern chandelier appears to float gracefully and effortlessly within any residential or commercial interior setting. A true showstopper, the circular form of Avalon LED Chandelier is well suited to illuminating dining tables, and kitchen islands, or as a centrepiece to living rooms and bedrooms.

Avalon LED Chandelier is available in three sizes: medium, large and extra large. Each structure is built from either a bronze or brass frame which houses an LED light source, diffused by cylinders of alabaster and creating an even dispersal of light. Avalon is a masterpiece of form and function, blending style and practicality to offer great variety and truly versatile lighting.

Please Note: Due to the natural variations in the alabaster diffuser, the light output of each product will vary.

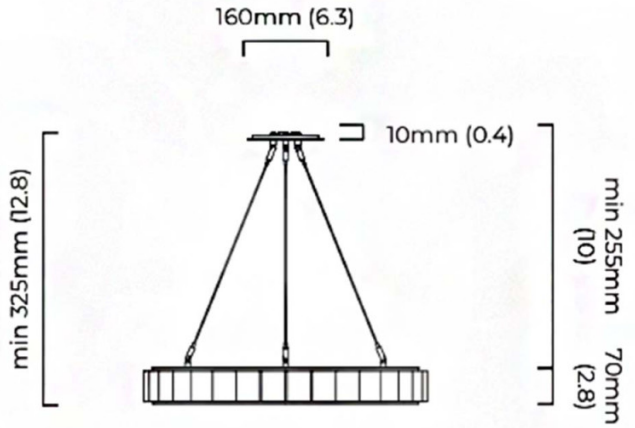

PRODUCT SPECIFICATION

Light Source: 38W, 2700K

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø: 64cm
Shade Height: 7cm
Minimum drop height: 32.5cm
Maximum drop height: 508cm
Ceiling plate: Ø16cm
