## PRODUCT DESCRIPTION

**Designer:** Tala Lighting

### Tala The Muse Wall Light

A creative collaboration with Farrow & Ball, the Tala The Muse Wall Light combines a timeless silhouette with premium materials and modern technology. Each aspect of the Muse Wall Light is replaceable, dramatically increasing its lifetime. The body is crafted from aluminium with brass detailing and features a dimming dial, this allows you to alter the lighting output from the Tala bulb and features Dim to Warm technology. Tala's custom LED bulb offers 500 lumens and a dimming scale of 2000-2800.

The Tala Muse Wall Light is IP-rated allowing it to be used indoors, outdoors and in damp environments such as b bathrooms. It is available in two elegant colourways specially designed by Farrow & Ball for Tala and can be used in a variety of spaces. The inviting ambience of The Muse can be utilised in hallways, entryways, bathrooms, porches and gardens.
