CTO Lighting Trevi Pendant

Trevi Pendant was designed in-house at CTO Lighting. This stunning pendant was inspired by the famous fountain at the Piazza di Trevi, in Italy. Each arm of the Trevi pendant provides a perfectly balanced composition where lines meet and extend at the precisely formed central pillar. Suspended on a bronze or brass rod, the minimum drop height is 37.5cm for the small and 36cm for the large, ideal for above a dining table or coffee table.

Trevi Pendant is available with either 3 or 6 shades, a contemporary centrepiece has a satin brass or bronze finish with opal glass globe shades. Whether it is a residential or commercial establishment, Trevi Pendant has a refined design and high-end finish make it stand out and add a touch of elegance to any interior.
