PRODUCT DESCRIPTION

Designer: Chiaramonte Marin

Brokis Dome LED Pendant Light

Inspired by the classical domes of Roman and Venetian architecture, the Brokis Dome Pendant combines sculptural form with refined craftsmanship. Designed by Chiaramonte Marin, each pendant features a handblown glass shade formed from layered molten glass, available in either a smooth or rippled finish. This artisanal process ensures a unique, luminous quality to every piece, with the LED light source discreetly positioned beneath an opal diffuser to provide soft, glare-free downlighting.

Available in three sizes and a range of glass colours, the Dome Pendant offers versatility in both residential and commercial settings. Its delicate silhouette and warm glow make it an ideal choice for illuminating dining tables, kitchen islands, or entranceways, whether hung individually or in striking multi-pendant arrangements. Suspended from a slim steel cable and minimalist canopy, the Dome Pendant brings timeless elegance to contemporary interiors while offering modern performance and energy-efficient illumination.

Equipped with an integrated 15W LED, the Dome Pendant offers warm 2700K light with a high CRI of 90+ with dimming capabilities. Ideal for kitchens, dining rooms, bedrooms, hallways, and commercial spaces like restaurants and hotels.

PRODUCT SPECIFICATION

Light Source: 15W, 2700K, 1617 Lumens

IP Code: 20

Dimming: Dimmable via mains phase dimming.

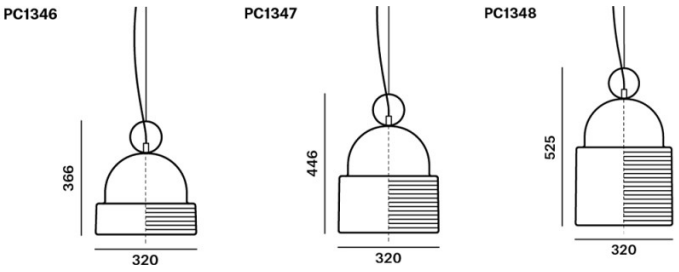

Dimensions:

PC1346:
Height: 36.6cm
Shade: Ø32cm

PC1347:
Height: 44.6cm
Shade: Ø32cm

PC1348:
Height: 52.5cm
Shade: Ø32cm

Cable Length: 220cm
