PRODUCT DESCRIPTION

Designer: CTO Lighting

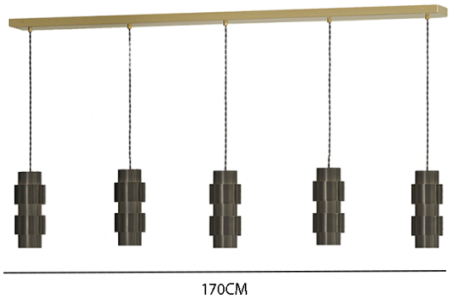

CTO Lighting Ring Long Cluster Suspension Light

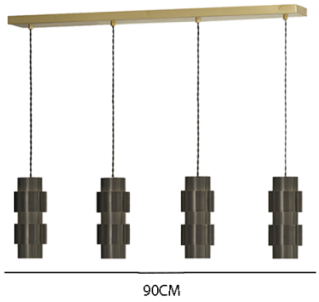

CTO Lighting Ring Long Cluster Suspension was designed in-house by lighting specialists and inspired by chiaroscuro, the art of combining contrasting light and shadows to generate a dramatic aesthetic. Available in four or five pendants, the Ring Long Cluster Suspension has been thoughtfully designed to provide richness and warmth to any setting, albeit residential or commercial. This unique architectural shade houses the light source and provides a direct downward illumination, ideal for an aesthetically pleasing display above a kitchen table or a kitchen island. Each shade is suspended by a black silk braided flex cable, which adds a touch of elegance to the fitting.

Ring Long Cluster Suspension is available in two rich colourways: brass and bronze which can be altered to have one colour or both in a sequence. The **Ring Collection** also includes a pendant, a table lamp and a wall light, creating a great variety which can be mixed and matched to choose from.

PRODUCT SPECIFICATION

Light Source:	**Four** - 4x Max 6W, E14 LED (Excluded) **Five** - 5x Max 6W, E14 LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Four** Minimum cable length: 15cm Depth: 11.6cm Length: 90cm Shade Height: 24cm **Five** Minimum cable length: 15cm Depth: 11.6cm Length: 170cm Shade Height: 24cm
