Bert Frank Beran Table Lamp

The Bert Frank Beran Table Lamp is an elegant and timeless ambient lighting solution, combining an alabaster stone diffuser and metal detailing. This contemporary table lamp delivers the style and class that Bert Frank are known for, with its warm and delicate lighting output highlighting the patterns in the alabaster and providing your interior with a calming glow. Available in two sizes and a range of colours, Beran allows you to personalise the finish of both the base and the metal stem. The contrasting colour options for the base can transform the product from a more reserved object to a stunning centrepiece, depending on your personal style.

The Beran Table Lamp is decorative yet functional, able to adapt to a range of contemporary interiors. Available in two sizes and a range of colours, Beran allows you to personalise the finish of both the base and the metal stem. The contrasting colour options for the base can transform the product from a more reserved object to a stunning centrepiece, depending on your personal style. Display this lamp in living rooms, bedrooms, dining spaces and hallways.
