Fontana Arte Tropico LED Wall Light

The Fontana Arte Tropico LED Wall Light, designed by Gabriele and Oscar Buratti, is a stunning combination of refined materials and expert craftsmanship. Its spherical opaline glass shade, accentuated by a central metal detail available in gold or black nickel-plated finishes, creates a captivating interplay of light and shadow. As light passes through the translucent surface, it generates enchanting reflections and patterns that enhance the atmosphere of any space. The Tropico Wall Light beautifully merges elegance and versatility, making it a perfect addition to Fontana Arte's celebrated Tropico collection.

Available in two sizes, small and medium, the Tropico LED Wall Light adapts effortlessly to a variety of settings. Whether mounted individually in hallways or clustered in living rooms, dining areas, or commercial interiors, it delivers a warm and inviting ambience. With dimming capability, the Tropico allows for customised lighting, perfect for creating a cosy glow or an illuminated focal point. Its minimalist yet impactful design makes it equally suitable for residential or hospitality environments, showcasing Fontana Arte's commitment to timeless, functional beauty.
