PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Colt LED Linear 5 Pendant

Bert Frank Colt LED Linear 5 Pendant was designed in 2024 as an extension of **Bert Frank Colt Triple LED Pendant**. Each shade features a cast brass grill with slotted opal diffusers to create a glare-free effect. The shades are attached to a textured black finish bar suspended by an adjustable 200cm barely visible cable, giving the appearance of the structure floating.

Colt LED Linear 5 Pendant casts a soft glow on the ceiling and surface below, creating a warm atmospheric space. The Colt LED Linear 5 Pendant is available in three metallic colourways: antique brass, brushed brass and dark bronze. This linear pendant can be showcased above a kitchen island or dining table, providing both decorative and functional lighting in both commercial and residential surroundings.

Please note: this linear is available either with a brass rod or a flex cable. Additional drop heights are also available upon request. Please contact us for further information and pricing.

PRODUCT SPECIFICATION

Light Source: 5 x 15.5W, 2700K, 1450 Lumens
