Foscarini Rituals Floor Lamp

The Foscarini Rituals Floor Lamp was designed in 2019 by Ludovica + Roberto Palomba, it stands out for the generous dimensions of the blown glass diffuser and its full, warm and soft light. The Rituals Floor Lamp is crafted from hand-blown glass which has been embellished with thin engravings that are concurrently decorative and filtering light. Both shade shapes were inspired by traditional Oriental paper lanterns and add an elegant touch to your interior.

The Rituals Floor Lamp belongs to the **Foscarini Rituals Collection** which includes wall lights, table lamps, pendants and ceiling lights. This timeless and traditional floor lamp is decorative yet functional, able to adapt to contemporary interiors, whether commercial or residential. The base is available in three colours to allow for it to adapt to a range of personal styles, it is an excellent way to brighten up dining spaces, hallways, living areas and entryways.
