PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Colt Octagon LED Chandelier

The Colt Octagon LED Chandelier was designed in 2024 by Bert Frank's in-house designers. Each shade features a cast brass grill attached to opal diffusers to create a glare-free experience. The name of the Colt Octagon LED Chandelier was inspired by the eight linear elements which were arranged to form the shape of an octagon. This elegant geometric chandelier refracts light both upwards and downwards, making it perfect for above a round dining table.

Bert Frank Colt Octagon LED Chandelier has a customisable cable length, allowing this light to adapt to rooms with high ceilings. This unique chandelier is available in three metallic colourways: antique brass, brushed brass and dark bronze. The industrial-style creation is a testament to the careful attention to detail and commitment to quality that went into its design.

Please Note: Additional drop heights are available upon request. Please contact us for further information and pricing.

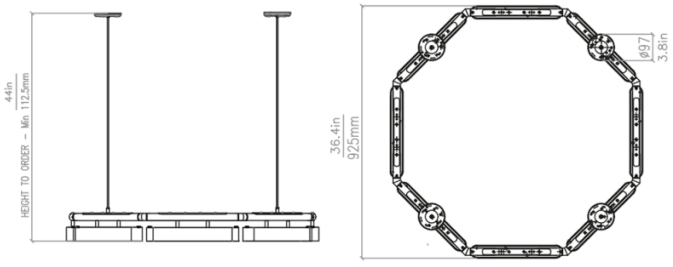

PRODUCT SPECIFICATION

Light Source: 5 x 72W, 2700, 6552 Lumens

IP Code: 20

Dimming: Dimmable via Triac dimming.

Dimensions: Shade: Ø92.5cm
Provided Drop Length: 152cm
Minimum Drop Length: 18cm
