PRODUCT DESCRIPTION

Designer: Edward Barber & Jay Osgerby

Flos Bellhop Glass Table Lamp

The Flos Bellhop Glass Table Lamp is a 2024 evolution of the classic collection. One of Edward Barber and Jay Osgerby's most iconic designs for Flos, Bellhop has grown from a compact, colourful portable lamp to a large-scale glass lamp, exploring the legendary design in a new material and providing a new aesthetic with vast technical possibilities.

This new Bellhop Table Lamp is defined by a triplex opaline glass diffuser developed in collaboration with the Flos R&D Department and supplies a functional ambient glow that is evenly dispersed. This curved diffuser is housed atop an aluminium base, available in three contemporary finishes - Bright Aluminium, Cioko and White - and allows the design to adapt to a multitude of interiors.

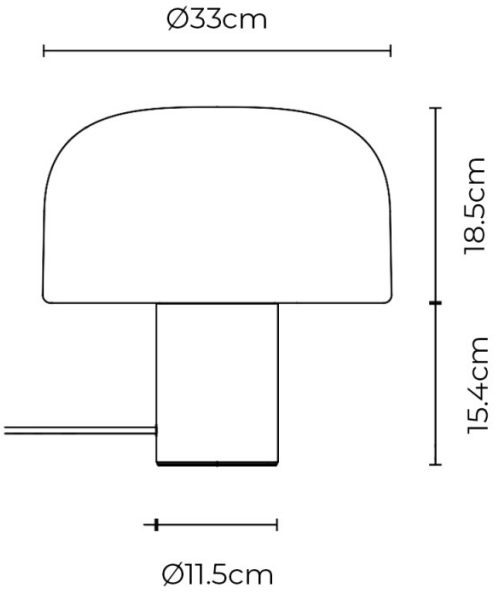

PRODUCT SPECIFICATION

Light Source: 1 x Max 15W E27 LED (excluded)
