PRODUCT DESCRIPTION

Designer: Christian Dell

Fritz Hansen Kaiser Idell 6559 Wall Lamp

The Fritz Hansen Kaiser Idell Wall Lamp, designed by Christian Dell in 1936, is a testament to Bauhaus design principles, combining form, functionality, and flexibility. This iconic piece features an adjustable wave-like arm, perfect for directing light where needed, whether as a focused reading lamp or an accent light. Available in three elegant finishes—White and Chrome, Black and Chrome, and Matt Black and Brass—this lamp complements a wide range of interiors, from contemporary to classic.

The lamp provides intimate and targeted lighting, making it ideal for corridors, reading nooks, or creative studios. A true symbol of Germanic precision, the Fritz Hansen Kaiser Idell series represents Dell's industrial expertise and pioneering spirit. Its versatile design and premium materials make it not only a functional light source but a piece of history.
