PRODUCT DESCRIPTION

Designer: Seppo Koho

Secto Kumulo Pendant

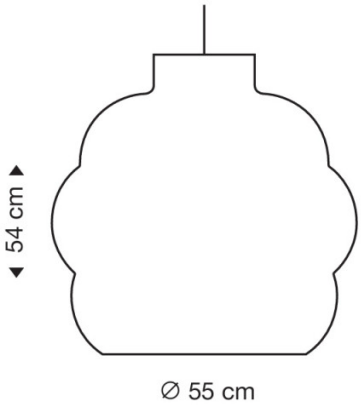

The Secto Kumulo 5200 pendant light is a statement piece inspired by the natural beauty of Lapland's landscapes, particularly snow-crowned trees and summer cumulus clouds. Designed by Seppo Koho, the pendant is handcrafted in Finland from PEFC-certified form-pressed birch, showcasing the brand's commitment to sustainability and exceptional craftsmanship. The slatted shade design not only ensures a light and airy aesthetic but also creates a mesmerising play of light and shadow on nearby walls.

Perfect for residential and commercial interiors alike, the Kumulo pendant light is ideal for dining areas, living spaces, or entryways. Its cylindrical base emits a soft glow downward while gently illuminating its surroundings, creating a cosy yet elegant atmosphere. Whether used as a standalone feature or arranged in clusters, this pendant adds a touch of Scandinavian charm to any setting.

Please Note: The Secto Kumulo 5200 Pendant in Birch, White and Walnut is supplied with a white textile cable and ceiling cup as standard, while the Black finish is supplied with a black cable and ceiling cup. The pendant can be connected to a DALI lighting system using a separate compatible DALI dimmer, which is not supplied by Secto. Please contact us for further information.

PRODUCT SPECIFICATION

Light Source:	1 x Max 10.5W GX53 LED (Included)
IP Code:	20
Dimming:	Dimmable using trailing edge dimming.
Dimensions:	Shade: Ø55cm Height: 54cm Cable length: 150cm
