PRODUCT DESCRIPTION

Designer: Tala Lighting

Tala Sycamore Chandelier 3 Tier

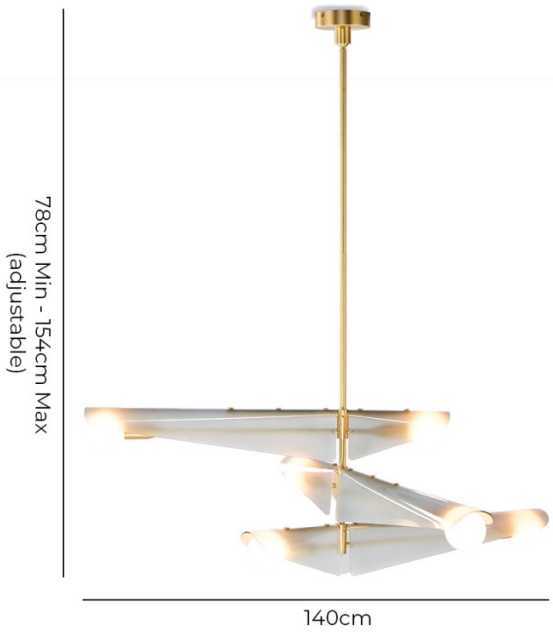

Designed by Tala's own in-house design team, taking inspiration from the elegant fall of sycamore seeds, the Sycamore 3-Tier Chandelier from Tala is a stunning blend of natural inspiration and modern design. Glass wings, made from 45% recycled material, gently curve over a brushed brass frame, embodying the delicate translucence of sycamore seeds as they drift through the air. Available in two finishes, Dawn Grey and Dusk Pink, this chandelier brings a soft, warm glow to any interior.

The Sycamore Chandelier is height-adjustable and can be installed at a range of heights, making it a versatile addition to various spaces. With Tala's own Sphere III dim-to-warm bulbs (included) whether illuminating a dining area, living room, or entryway, this piece creates a serene and organic aesthetic.

Pair it with the larger Five-Tier Sycamore Chandelier for an elegant multi-level display, or let the Three-Tier stand alone as a showstopper.
