Tala Sycamore Chandelier 5 Tier

Designed by Tala's own in-house design team, inspired by the graceful flight of sycamore seeds, the Sycamore 5-Tier Chandelier from Tala brings natural beauty into your interior. The cascading layers of glass wings curve elegantly over a brass frame, capturing the seed's delicate translucence. Available in two colourways, Dusk Pink and Dawn Grey, with Tala's own Sphere III dim-to-warm bulbs (included) this chandelier casts a warm, ambient glow that is both functional and aesthetically stunning.

The chandelier is height-adjustable, allowing you to create the perfect fit for any space, from high ceilings to more intimate settings. Whether suspended over a dining table, living space, or hallway, the Sycamore 5-Tier makes a striking statement with its nature-inspired design and expert craftsmanship.

Pair it with the smaller Three-Tier Sycamore Chandelier Three-Tier Sycamore Chandelier for an elegant multi-level display, or let the Five-Tier stand alone as a showstopper.
