Porta Romana Button Table Lamp

Available in two sizes, Small and Large, the Button Table Light by Porta Romana is a contemporary homage to ancient ceramics, drawing inspiration from the elegant pottery of Mesopotamia. With a hand-applied glaze scattered with irregular studs, each Button Table Light has a unique finish, ensuring no two are alike.

Available in a range of seven striking colours, Tuscan, Cranberry, Marshmallow, Chive, Lagoon, Polar, and Walnut, the Button Table Light adds a pop of personality to any interior. Its sculptural form is further enhanced by its glazed ceramic finish, creating a tactile and visually captivating piece.

Whether used as a standalone statement in a living room or bedroom, or combined with other pieces from Porta Romana's extensive collection, the Button Table Light brings a playful yet elegant touch to any space.

The Button Table Lamp is available with a wide range of shade shapes, shade fabrics and shade linings. Please contact us for more information and pricing.
