Porta Romana Edna Table Lamp

Inspired by the lyrical poet Edna St. Vincent Millay, the Edna Table Light from Porta Romana exudes sophistication and grace. Each lamp is meticulously crafted from handblown glass, giving it a fluid form that captures and reflects light in a mesmerising way. Available in Kelp and Amber finishes, the Edna Table Light is as much an artistic statement as it is a functional piece of lighting.

The smooth curves of the glass are complemented by its subtle hues, making this table light a versatile addition to any interior. Perfect for use on bedside tables, in living rooms, or as a decorative feature in hallways, the Edna Table Light brings a soft and inviting glow to any space.

The Edna Table Lamp is available with a wide range of shade shapes, shade fabrics and shade linings. Please contact us for more information and pricing.
