Porta Romana Nash Table Lamp

Inspired by the works of British surrealist artist Paul Nash, the Nash Table Light from Porta Romana is a striking piece of contemporary design. Cast in Jesmonite, a sustainable material that combines the texture of hardened plaster with incredible durability, this lamp features deep grooves and a patterned surface that evoke the artist's abstract line drawings.

Available in two sizes, Small and Large, the Nash Table Light is available in two bold finishes: Natural and Electric Blue. Both finishes highlight the intricate detailing of the lamp's surface, making it a standout piece in any interior. Whether placed on a bedside table, console, or desk, this table light brings a modern, artistic touch to its surroundings.

The Nash Table Lamp is available in alternative finishes and a wide range of shade shapes, fabrics, and linings. Please contact us for more information and pricing.
