PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Unbeaten Fat LED Pendant

The Unbeaten Fat LED Pendant is part of the Tom Dixon **Unbeaten Collection**. These pendants are created in the same factory in India as the popular **Beat Pendants**. The Unbeaten Collection is a celebration of aluminium in its raw state and is made by skilled artisans using premium recycled aluminium to ensure durability and a luxury feel.

The Unbeaten Fat Pendant provides direct downward light, and the silhouette is designed to create a striking effect in a variety of décors. These pendants can be hung individually or as multiples, offering flexibility in usage. The 250cm cable allows further customisation, allowing you to change the height that the pendant hangs from.

Please Note: the LED ring of the Tom Dixon Unbeaten Fat Pendant is replaceable.
