PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Unbeaten Tall LED Pendant

The Unbeaten Tall Pendant is part of **The Unbeaten Collection** by Tom Dixon. Unbeaten follows the highly popular **Beat Collection**, which proved so popular that it became widely copied, resulting in large quantities of poor quality imitations being sold online. Inspired to combat these imitations, Tom Dixon created Unbeaten using thicker metals, and superior illumination and electrical components.

The Unbeaten Collection is made by skilled artisans in India, using modern manufacturing techniques to enhance functionality and aesthetics. To ensure durability and a luxurious feel, only high-quality, premium aluminium is used when creating these pendants.

The Unbeaten Tall Pendant is designed to fit into different decors seamlessly. It can be hung on its own or in multiples, at a range of different heights. This makes it suitable for either domestic or commercial use. When used in the home, the direct downward light is perfect above surfaces such as in the kitchen or over a dining room table.

Please Note: the LED ring of the Tom Dixon Unbeaten Tall Pendant is replaceable.
