PRODUCT DESCRIPTION

Designer: Tala Lighting

Tala Mantle Portable Lamp

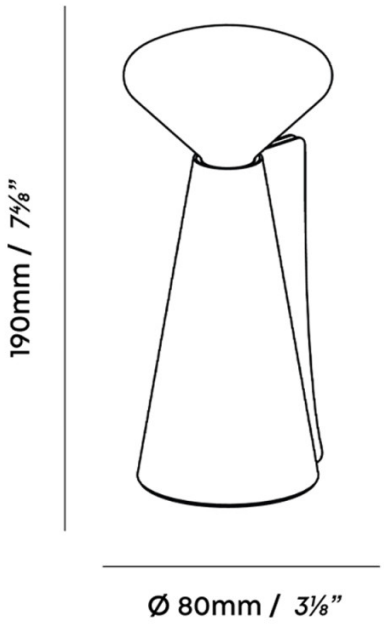

The Tala Mantle Portable Lamp was designed by the brand with the goal of replicating candlelight and creating a lighting solution that enhances the dining experience and brings people together. Mantle boasts a unique silhouette and is available in eight finishes (Granite Black, Cobalt Blue, Stone White, Posset Yellow, Peony Pink, Fields Green, Claycourt Orange, and Azure Blue), all of which are a beautiful addition to indoor and outdoor settings thanks to its IP44 rating.

This portable lamp provides an evenly diffused ambient glow that generates a calm atmosphere and also provides an integrated dimmer allowing you to further personalise the lighting output. This dimmer provides three lighting outputs depending on your needs. The slender size of the Tala Mantle and conical form allows the light to project evenly onto the table surface, while the fin-like handle and dimmer encourage easy interaction.

Please note, the Granite Black, Cobalt Blue, and Stone White colour options have a speckled finish, while the Posset Yellow, Peony Pink, Fields Green, Claycourt Orange, and Azure Blue colour options have a solid colour finish.
