#### Secto Victo 4250 Pendant Light

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.**  
**1 x Black Available.**  
**1 x Walnut Available.**

The Secto Victo 4250 pendant light is a wooden suspension created from slats of Finish birch, handmade in Finland by specialists. Despite its size and eye-catching design, the Victo 4250 pendant light does not overpower spaces due to its slatted diffuser which makes the pendant feel light and airy. The Victo 4250 casts a warm glow and is perfect for cosy living areas.

Also available in a smaller size, [the Victo Small 4251](#), the Victo 4250 is available laminated in black or white, in natural birch or with a walnut veneer. The 4200 collection also includes wall lights, floor lights and table lamps - browse the rest of Secto's designs [here](#).
