PRODUCT DESCRIPTION

Designer: Simon Legald

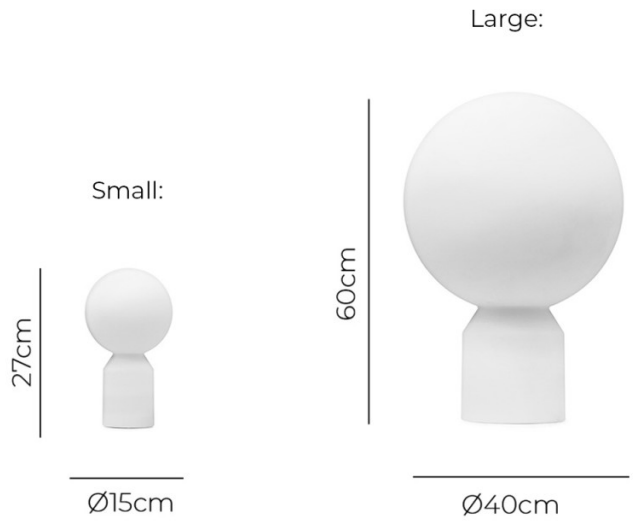

Normann Copenhagen Yo LED Portable Lamp

The Yo Table Lamp is designed by Simon Legald for Normann Copenhagen. Legald's work focuses on minimalism, and he believes in simplicity in design. The clean lines of The Yo Table are an excellent example of this philosophy, with the cylindrical base and spherical lampshade forming a bold, sculptural silhouette. Each lamp is manufactured using a unique rotational moulding technique that fuses the base and the shade seamlessly. This ensures that when illuminated, the entire structure is evenly lit

With an IP rating of 44, The Yo Table Lamp is suitable for both indoor and outdoor use. It is battery-powered and comes with a Type C magnetic charging head and USB magnetic charging cable. Available in two sizes, The Yo Lamp features a fully integrated, low-energy LED light source that has three intensity levels. The battery life lasts up to 100 hours for the small lamp and 80 hours for the large, depending on the intensity of brightness. Perfect for use in the garden, patio areas, and terraces as well as creating ambient lighting in indoor spaces. The almost caricaturist form suits modern spaces and a minimalistic decor.

PRODUCT SPECIFICATION

Light Source:	**Small**: 0.2W, 3000K, 160 Lumens **Large**: 0.2W, 3000K, 845 Lumens
IP Code:	44
Dimming:	Integrated dimmer on product.
Dimensions:	**Small**: Ø15cm Height: 27cm **Large**: Ø40cm Height: 60cm
