The Kartell One More Stool is an extension of the Ghost collection. One More has a similar rounded backrest as the famous Victoria Ghost chair and is reminiscent of Ancient medallions. Combining classical style and highly modern material, polycarbonate, this chair has a strong personality! With its hybrid and elegant form, this chair perfectly fits into modern as well as more classical settings.

The lightweight but resistant One More Stool was designed by the iconic Phillipe Starck and is ideal for use around a bar or a high work surface. Starck explains the name choice for this bar chair, wanting to provide a comfortable bar chair with a really good backrest to support your back to be able to enjoy a great cocktail.
