PRODUCT DESCRIPTION

Designer: CTO Lighting

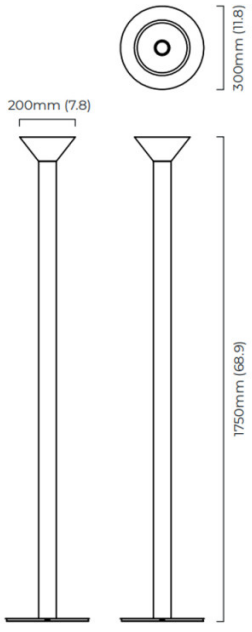

CTO Lighting Torres Floor Lamp

Standing tall and elegant, the CTO Lighting Torres Floor Lamp is the epitome of understated luxury. Inspired by the architectural grandeur of ancient towers, its sculptural conical shade complements its robust base, offering a harmonious blend of strength and refinement. Handcrafted in the UK, this lamp is available in a selection of premium finishes, including antique bronze, polished nickel, and bronze with alabaster, allowing it to suit a variety of interior styles.

Designed for versatility, the Torres Floor Lamp provides strong upward illumination, ideal for lighting ceilings and corners or creating an inviting ambience in living spaces, offices, or bedrooms. The alabaster finish diffuses light for a softer glow, while the metallic options provide a striking architectural statement. With a generous 250cm cable and inline switch, this floor lamp is a functional and stylish addition to any contemporary interior.
