PRODUCT DESCRIPTION

Designer: CTO Lighting

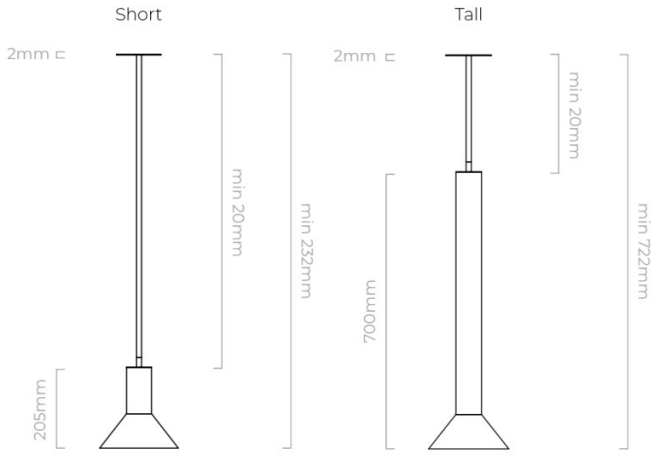

CTO Lighting Torres Pendant Light

The CTO Lighting Torres Pendant Light brings timeless elegance to any interior, combining sculptural design with impeccable craftsmanship. Drawing inspiration from the iconic forms of ancient towers, the pendant's conical shade is a testament to strength and sophistication. Handcrafted in the UK, this pendant light is available in a range of luxurious finishes, including antique bronze, polished nickel, and alabaster, to suit various aesthetic preferences.

Whether hung as a standalone statement piece or arranged in clusters, the Torres Pendant Light offers versatile lighting options. The alabaster shade diffuses light for a softer ambience, while the metallic finishes create a bold architectural impact. Suitable for both residential and commercial applications, this pendant light is perfect for dining spaces, entryways, and bathrooms, with IP20 or IP44 rated options available.
