PRODUCT DESCRIPTION

Designer: Signe Hytte

New Works Karl-Johan Bathroom Wall Light

The New Works Karl-Johan Bathroom Wall Light was designed by Signe Hytte for New Works. Hyette drew inspiration from nature for this design; reminiscing about long autumnal walks while searching for wild mushrooms. The shape of the shade is functional as well as ornate, with its rounded glass bouncing a soft light around the room. Available in two finishes, Smoked Glass and White Opal Glass, which diffuse light into a warm glow that surrounds the shade.

The Karl-Johan Bathroom Wall Light is part of the **Karl-Johan Collection.** This collection includes a pendant, table lamp, and portable lamp. The Bathroom Wall Light is a splash-proof version of the wall light in the same collection. With an IP rating of 44, it is perfect for installing in your bathroom. The organic curves of the lampshade create a soft silhouette that will look elegant on the wall of any interior. It can be installed individually or as multiples to create a stunning display in your home.

PRODUCT SPECIFICATION

Light Source:	1 x Max 7W E14 LED (excluded)
IP Code:	44
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø: 23cm Depth: 18cm
