### CTO Lighting Heron Table Lamp

Designed by Belgian designer Michaël Verheyden, the CTO Lighting Heron Table Lamp captures a quiet luxury through its minimalist aesthetic and use of noble materials. Crafted with precision, this table lamp features sleek, streamlined metalwork that balances form and function seamlessly. Available in satin brass or bronze finishes, its understated elegance complements both contemporary and classic interiors.

The Heron Table Lamp is as functional as it is beautiful. Its moveable shade allows for precise light direction, making it ideal for desks, bedside tables, or sideboards. Emitting a warm glow, it creates an inviting atmosphere, perfect for both task and ambient lighting. The sturdy base and high-quality metalwork reflect exceptional craftsmanship, ensuring longevity and timeless appeal.

This sophisticated lamp is designed with versatility in mind, suitable for a range of residential or commercial settings. Its inline dimmer provides added control over lighting intensity, making it adaptable to various environments. The Heron Table Lamp exemplifies the best of minimalist design while delivering practicality and luxury in equal measure.
