HAY Apex Floor Lamp

The HAY Apex Floor Lamp is the latest addition to John Tree's vibrant **Apex Collection**. Featuring the iconic folded steel shade, this lamp takes its design cues from classic Banker's Lights, with a contemporary twist. The sleek chrome base supports the vibrant shade, which can rotate 360 degrees to allow full control over the direction of light. This versatility makes it suitable for a range of uses, whether as a task light for a workspace or as ambient lighting in a living room or bedroom.

With its bold colours, such as Luis Pink, Maroon Red, and Pastel Blue, the Apex Floor Lamp brings a playful and functional lighting solution to any space. The plug-and-cable system includes an integrated on/off switch, ensuring ease of use. The combination of its timeless design and practical features ensures that the Apex Floor Lamp fits seamlessly into both contemporary and classic interiors.
