PRODUCT DESCRIPTION

Designer: Pierre Charpin

HAY PC Portable Table Lamp

**BRAND NEW, BOXED IN ORIGINAL PACKAGING.
1 x Cool Grey Available.**

PC as a collection was given its name from the designer who created it, Pierre Charpin. The PC Portable lamp is a minimal and stylish design, which is suitable for both indoor and outdoor use, it has a robust plastic exterior, which is scratch and splashproof. The PC Portable lamp works on a rechargeable battery unit, a single charge can last up to 8 hours on the brightest setting.

The portability gives this design complete freedom, allowing the lamp to go with you wherever extra lighting is needed, inside or out. With the USB cable included, you can charge up the HAY PC Portable table lamp and have hours of light wherever you go. The black, olive and dusty red colours have an opaque shade, providing mainly downlight, and the ocean green, sky blue, and cool grey shades have a translucent quality when lit to give an all-round ambience.
