PRODUCT DESCRIPTION

Designer: Flos Architectural Design

Flos Kap 50 Fixed LED Recessed Light

The Flos Kap 50 Fixed Recessed Light is a minimalistic and practical lighting solution which can adapt to almost any personal interior style. Kap is built into your ceiling and sits flush in order to seamlessly blend into your space. The integrated LED light source is projected down onto the area below, providing soft functional illumination and making the Flos Kap Recessed Light perfect for hallways, kitchens, dressing rooms and even storage rooms or cupboards.

Kap is available in a range of colours and can be used individually, in rows or in larger clusters. This recessed ceiling light allows you to easily personalise your interior and offers ambient task lighting for almost any room in your home.

The Flos Kap 50 Recessed Light can be supplied with Casambi dimming upon request. Please [contact us](#) for more information and pricing.

Please Note: The Flos Kap 50 Recessed Light is supplied with a remote driver.

This product must be installed before final plaster skim.
