Davide Groppi Dot P 51 Surface Light

Designed by Omar Carraglia in 2015, the Davide Groppi Dot P Surface Light is an easily adjustable lighting solution that provides functional directional task lighting thanks to its orientable lamp head. The Davide Groppi Dot P is a compact lamp that will perfectly harmonise with any style and theme of interior décor.

Available in two minimalistic finishes and crafted from high-quality metal, the Dot P can be displayed in a range of interiors. This spotlight provides superior performance, and a direct and glare-free glow - making a perfect reading light or accompaniment next to your desk or bed.
