Kartell Pumo Table Lamp

Designed by Fabio Novembre, the Kartell Pumo Table Lamp draws inspiration from the traditional Apulian Pumo, a decorative object symbolising prosperity and good fortune. This design pays homage to Italian heritage, reimagining the iconic form in a sleek, contemporary light fixture. Made from recycled PMMA, the Pumo Lamp seamlessly blends tradition with modernity, offering a fresh perspective on artisanal craftsmanship and sustainable design. The translucent diffuser gently disperses light, creating a warm, inviting ambience perfect for home interiors, hotels, and hospitality settings.

The Pumo Table Lamp features integrated LED technology, ensuring energy efficiency and longevity. Its soft, diffused glow enhances the organic form, allowing the silhouette to stand out as a sculptural centrepiece. Available in a selection of elegant colours, including Smoke/Black, Sky Blue/Blue, Transparent/White, and Amber/Brick Red, this lamp offers versatility in styling, making it an ideal accent light for bedside tables, sideboards, or decorative focal points. Its compact size and sculptural shape allow it to fit seamlessly into both classic and contemporary interiors, adding a touch of refined Italian design to any space.
