### Kartell Bourgie Mat Table Lamp

A modern reinvention of Ferruccio Laviani's iconic Bourgie lamp, the Kartell Bourgie Mat Table Lamp introduces a sleek, soft-touch matte finish, adding a contemporary edge to this classic silhouette. The design preserves the baroque-style base, with its ornate interlocking elements, while the pleated lampshade diffuses light beautifully, casting dynamic reflections. Crafted from Polycarbonate 2.0, this edition aligns with Kartell's sustainability efforts, using renewable raw materials without compromising on quality. The new matte texture enhances the lamp's tactile appeal, available in Black, White, Burgundy, and Blue, providing sophisticated colour options to complement a variety of interiors.

Beyond aesthetics, the Bourgie Mat Table Lamp remains highly functional, featuring an adjustable height system, allowing users to customise its position between 68cm, 73cm, and 78cm. This adaptability makes it ideal for use as a statement bedside lamp, a decorative accent in living spaces, or a striking desk light. Equipped with three dimmable E14 LED bulbs, the Bourgie Mat offers a warm and inviting ambience, perfect for both traditional and modern settings. Whether placed as a centrepiece or as part of a curated lighting arrangement, the Bourgie Mat exudes timeless elegance with a contemporary twist.
