Nuura Rizzatto 43 Pendant Light

The Nuura Rizzatto 43 Pendant Light, designed by Paolo Rizzatto, is a striking statement piece that seamlessly blends sculptural design with ambient lighting. This pendant features a unique dual-glass structure, combining a soft opal glass diffuser with an optic clear glass element, creating a layered and dimensional aesthetic. Finished with satin brass details, the light exudes refinement and sophistication, making it a stunning focal point in any setting.

Designed for both residential and commercial spaces, the Rizzatto 43 Pendant is perfect for suspending above dining tables, lounge areas, and kitchen islands. Its glare-free, diffused illumination ensures a comfortable and inviting atmosphere, while the adjustable cable length allows for versatile installation options. The design's geometric influence gives it a contemporary yet timeless appeal, ensuring it complements a wide range of interiors.

This pendant is dimmable, allowing you to customise the light output to create the perfect mood and ambience. Whether used as a standalone centrepiece or in combination with other fixtures from the Rizzatto collection, the Nuura Rizzatto 43 Pendant delivers sophisticated lighting with a sculptural presence, reflecting Paolo Rizzatto's commitment to artistic and functional design.
