Nuura Rizzatto 32 Pendant Light

The Nuura Rizzatto 32 Pendant Light, designed by Paolo Rizzatto, is a stunning fusion of sculptural aesthetics and functional design. Featuring a gracefully curved opal glass shade, this pendant provides a soft, diffused glow, perfect for creating a warm and inviting ambiance. The elegant design is accentuated by a satin brass metal detail, which adds a touch of sophistication and contrast to the minimalist form.

This pendant is ideal for placement above dining tables, kitchen islands, or lounge areas, where its refined shape and gentle illumination enhance both contemporary and classic interiors. Thanks to the high-quality mouth-blown glass, the light is evenly distributed, reducing glare while maintaining a bright and welcoming atmosphere. The adjustable suspension cable also allows for customisable installation heights, ensuring a tailored lighting experience for any space.

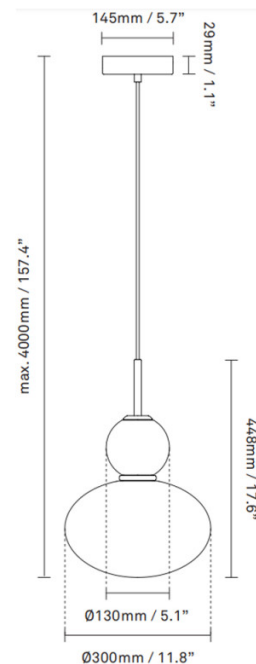

The Rizzatto 32 Pendant Light is dimmable, allowing you to adjust the brightness to suit different settings and moods. Whether used as a standalone feature or in clusters, this pendant embodies Paolo Rizzatto's timeless approach to lighting design, bringing a delicate balance of art and functionality into your interior.
