Dusty Deco Arcissimo Table Lamp

A striking blend of sculptural form and functional lighting, the Dusty Deco Arcissimo Table Lamp makes a bold statement with its distinctive arch adorned ceramic base. Handcrafted with a waterproof, matte coating, each lamp is unique, with natural variations in texture and tone that add to its character and authenticity. The silhouette is reminiscent of classical architectural elements, a signature motif within Dusty Deco's collections.

Atop the ceramic base sits a textile shade, which diffuses light softly and evenly, casting a warm and inviting glow. Whether placed on a bedside table, console, or living room side table, the Arcissimo Table Lamp enhances interiors with its minimalist yet bold aesthetic. Available in two sizes and two finishes, Black and Brown, the lamp can be paired or styled individually to suit a range of interior settings.

Part of a broader collection inspired by Dusty Deco's ethos of blending vintage influences with contemporary craftsmanship, the Arcissimo Table Lamp reflects a design philosophy rooted in timeless materials, sculptural shapes, and atmospheric lighting. Whether styled as a stand-alone piece or in combination with other Dusty Deco furniture, it adds sophistication and warmth to any space.
