Dusty Deco Cornelia Table Lamp

The Dusty Deco Cornelia Table Lamp captures the raw beauty of natural materials, featuring a handcrafted capiz shell shade that diffuses light with a soft, organic glow. The irregular texture of the shells ensures that each piece is one of a kind, with subtle variations that add depth and character to the design. Inspired by vintage lighting and artisanal craftsmanship, this table lamp offers a timeless aesthetic that seamlessly blends classic and modern interiors.

Compact yet impactful, the Cornelia Table Lamp is versatile in placement, whether used as a decorative accent on a side table, a statement piece in a reading nook, or a soft ambient light source in a bedroom. Its warm, inviting illumination creates a cosy atmosphere, perfect for adding a touch of refined elegance to any space. The beige fabric cord complements the lamp's natural textures, maintaining a cohesive, organic look.

Designed with Dusty Deco's signature approach to materiality and form, this table lamp embodies the brand's philosophy of combining sculptural shapes with earthy, high-quality materials. Whether paired with other pieces from the Cornelia collection or styled as a standalone piece, the Cornelia Table Lamp serves as a sophisticated yet relaxed addition to any home.
