Dusty Deco Geraldine Floor Lamp

The Dusty Deco Geraldine Floor Lamp is a statement lighting piece designed to bring warmth and sculptural elegance into any space. Featuring a pleated waxed-paper shade in a vibrant mustard hue, this lamp emits soft, diffused light, creating a cosy and inviting atmosphere. The oversized shade enhances the aesthetic appeal, offering a unique interplay of shape, texture, and illumination.

Supporting the shade is a slim black metal frame, composed of three minimalist legs, ensuring stability without overwhelming the design. This balanced contrast between structured metal and fluid pleats gives the Geraldine Floor Lamp a refined yet playful character, perfect for modern living spaces, stylish reading nooks, or boutique interiors.

Designed to pair seamlessly with the Geraldine Table Lamp, this floor lamp brings a cohesive aesthetic to any space. Whether placed beside a sofa, accent chair, or bed, it serves as both a functional light source and a distinctive decorative element, reflecting Dusty Deco's philosophy of timeless yet contemporary design.
