Dusty Deco Geraldine Table Lamp

The Dusty Deco Geraldine Table Lamp is a charming and sculptural lighting piece that blends playful colour and refined simplicity. Designed with a distinctive pleated shade, the lamp emits a warm and inviting glow, perfect for softening interiors and creating a relaxed ambience. The mustard-coloured shade, made from waxed paper, introduces a tactile element that diffuses light beautifully, offering a balance between statement design and functional illumination.

Supported by a minimalist black metal base, the Geraldine Table Lamp embodies Dusty Deco's signature contrast of textures and forms. The three slender legs provide an elegant, lightweight aesthetic, while the rich pleated shade adds a touch of vintage-inspired charm. Whether placed on a side table, desk, or bedside unit, this lamp becomes a decorative yet practical addition to contemporary interiors.

Part of the Geraldine collection, this table lamp pairs seamlessly with the Geraldine Floor Lamp, sharing the same sculptural silhouette and warm lighting effect. Perfect for modern homes, boutique hotel spaces, and stylish work environments, the Geraldine Table Lamp embodies Dusty Deco's philosophy of curating and creating timeless yet distinctive designs.
