Dusty Deco Pyramid Floor Lamp

Towering with sculptural finesse, the Dusty Deco Pyramid Floor Lamp is a bold statement piece that transforms any space with its architectural silhouette and luxurious materials. Inspired by mid-century modern aesthetics, this lamp is defined by its geometric wooden base, crafted from dark-stained ash veneer, complemented by patinated brass details for an added touch of vintage refinement.

Its cylindrical fabric shade softens the lamp's structured base, casting a diffused, ambient glow that enhances living spaces with warmth and depth. Whether placed beside a lounge chair, in an entryway, or as a focal point in an open-plan setting, this lamp brings a sense of balance and elegance to any room. The combination of natural wood grains, warm brass, and soft textiles creates a sophisticated interplay of materials, making it a timeless yet contemporary lighting piece.

Ideal for those who appreciate refined craftsmanship and bold silhouettes, the Pyramid Floor Lamp epitomises Dusty Deco's philosophy of blending classic design references with modern sensibilities. It pairs beautifully with the Pyramid Table Lamp, creating a cohesive lighting scheme that exudes character and style.
