PRODUCT DESCRIPTION

Designer: Ferm Living

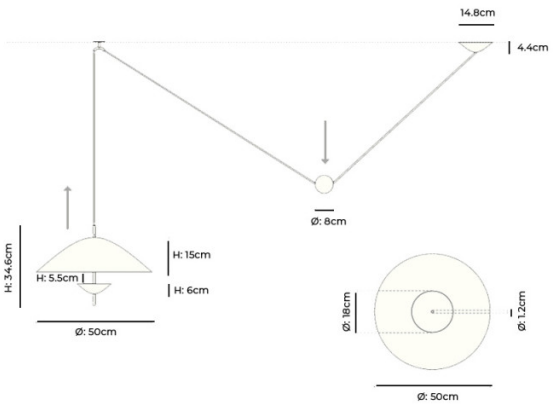

Ferm Living Lod Pendant

The Lod pendant is named after the Danish word for ‘weight’, referencing the counterweight that is essential to the pendant’s design. With clean lines and a striking silhouette, the Lod Pendant provides a perfect balance of form and functionality. The shade is easily adjustable using the counterweight or the shade’s perpendicular rod. The additional bracket that supports the cable can be placed wherever needed during installation, allowing the pendant to fit into a range of spaces regardless of furnishings or ceiling height.

The Lod Pendant is available in two finishes, black and cashmere. These muted tones complement the contemporary look of the design and add a luxurious feel to the pendant. The underside of the shade has an off-white finish to effectively reflect light. With a top and bottom shade, the Lod Pendant provides a glare-free, downward directional light. This gentle radiance balances the sharp, geometric silhouette, softening the overall aesthetic. Install the pendant above a dining room table to create a remarkable focal point. In commercial spaces, the Lod Pendant can be installed in modern bars or restaurants to create a welcoming ambience and captivating display.

PRODUCT SPECIFICATION

Light Source:	3 x Max 7W G9 LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø50cm Shade Height: 34.6cm Cable Length: 500cm
