Ferm Living Collect Low Socket Pendant Hoop

Ferm Living's Collect Lighting system offers a fully customisable way to create a lighting solution tailored to your space. The Collect Low Socket Pendant Hoop features a sleek, minimalist socket paired with a striking dome shaped shade, bringing a contemporary aesthetic to any room. With its powder-coated metal finish, this pendant is available in a range of sophisticated colours, making it an adaptable choice for modern interiors.

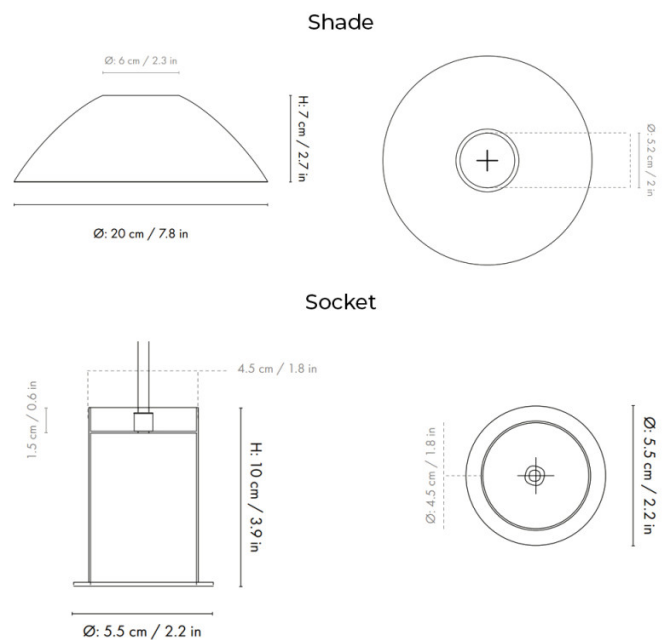

The low socket design creates a compact and subtle profile, perfect for illuminating dining tables, kitchen islands, or hallways with a soft and diffused glow. It is equipped with a 3-metre fabric cord, a coordinating ceiling canopy, and a decorative ring that adds a refined detail to the fixture. The dimming compatibility allows you to personalise the lighting intensity, enhancing both ambience and functionality.

Please note, this product is also available in a [High Socket version](#), a [Bell Socket version](#) and a [Brass Shade version](#).
