Ferm Living Collect Bell Socket Pendant Bell

The Ferm Living Collect Bell Socket Pendant Bell brings gentle curves and harmonious proportions to modern interiors. Featuring a bell-shaped shade and the Bell Socket, smaller and inversed in form, the design offers an elegant and unified visual language. The powder-coated shade casts a soft, downward glow, perfect for dining settings, bedrooms, or reading corners.

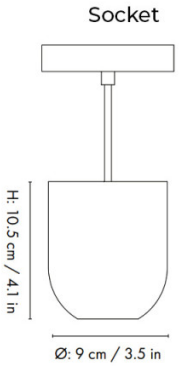

The socket and shade is available in five shade finishes, White, Black, Light Grey, Cashmere and Brass, fully interchangeable, allowing for subtle contrast or tonal cohesion. With a coordinating ceiling canopy, a 3-metre fabric cord, and dimming compatibility, this pendant light is both flexible and refined, ideal for creating ambient moments in contemporary spaces.

Please note, this product is also available in a Low Socket version, a High Socket version, an Opal Shade version and a Brass Shade version.
